Subject: Notes on 3/20 Conversation

:

---

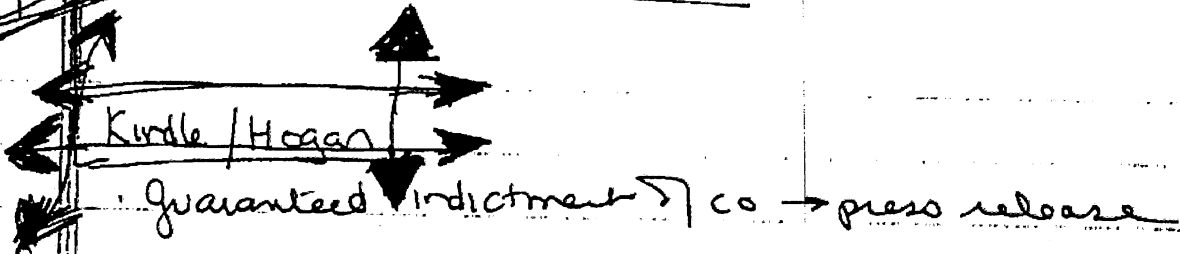

I reviewed my notes of my conversation with Josh Buchman in which Josh related his 3/20/03 conversation with Virginia Kendall and Bill Hogan concerning Near North placing its press release on the its web site. My notes were almost verbatim to Josh's notes, although Josh's were more comprehensive. The only additional fact I had on my notes was that the government was "furious with Bill Cook."

I called Josh and asked whether his conversation included a reference to why NN thought it was necessary to put out a press release on the filing of a motion. He said the government did not say that, but that was his comment to me.
